

# I'm Not Ashamed

## Newsboys

I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ What are we sneaking around for?  
Who are we trying to please?  
Shrugging off sin, apologizing  
Like we're spreading some kind of disease  
I'm saying, no way  
No way I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ This one says it's a lost 'cause  
Save your testimonies for church time  
The other ones state you'd better wait  
Until you do a little market research  
I'm saying, no way  
No way I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to speak the name of Jesus Christ I'm not  
ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ I'm not ashamed to let you know  
I want this light in me to show  
I'm not ashamed to speak the name of Jesus Christ
