Loves Got Me High

Scales

Advisory - the following lyrics contain explicit language:

I need to have you next to me
The time is right, turn down the lights
Turn down the lightsLove's got me high, love's got me high
Love's got me high, love's got me high
Love's got me high, love's got me high
Love's got me high
Ooh, this is some good shitTurn down the lights
Turn down the
Turn down the lights
Turn down theI need to have you next to me
The time is right, turn down the lights
Turn down the lightsLove's got me high, love's got me high
Love's got me high, love's got me high
Love's got me high, love's got me high
Love's got me high
Ooh, this is some good shitTurn down the lights
Turn down the
Turn down the lights
Turn down the
