

Let's Go

Tech N9ne

epp opp ork ahh ahh, that means i love if you got dollas.
yep, aint no stopin there, lets go lets go if you choppin brocilli.Lets go

If your sittin' at home talking to him on the phone,

And he clone, with no style of his own.

You wishin' that you was gone, throwin back the patron.

You aint wrong cause youd rather be with me in the zone.

Lets go

Sorry, your lady has been taken.

You can find us up in the mo wit the flow shakin,

And I aint even the one thats bringin her home the bacon.

You the one been talking bout kickin my face in?

Lets go

You can do whateva you gonna.

it's My rebel persona, that got me dressin' red as I wanna, ahead of you, stronger.

The problem is you dead as a coma.

You sick of me, but Im right here to put the medicine on ya.

Lets go

Got'em all frightened of the titan,you mice men too light to get fights in with the bison.
Its so excitin' my Benz reeled your wife in, I'll ruin your life when i produce a license!Lets go
comin' through door, hella fast, never slow, got the cash, and the pedal to the floor.

Lets go

If you wanna ride, let me know. we can slide on the low. Whatcha standin there for?

Lets go

You can hate cause Im dippin witcha mate. Out the gate, lets roll, lets bounce, lets skate.
Lets go to the room, lets go to the lick. Lets go, Your boyfriend aint talking bout shit.[Kutt Calhoun's verse]
posted up squatin low like a pig, ya know this patron changed the whole motion of yo' shit.
and i aint gotta decide to proceed with out a grip, so we can just do it movin if its all on a bitch.

lets go,

they liken the skinny jeans and the kicks, an jewly wells, but i aint into pleasin' the trick.

I'm into topless Porsche's an keys to a six, so sit back an let the ingen breath a lil bit

lets go

but highly in the hooche holla area m.o. "money over beezy's" got it from my uncle Larry though.
super star ta many with out playin on your radio, addicted to va-gina when she anit around va-nareal

lets go

kuttin kutty calhoun is the senario, kansas city to oakland, folks be like there he go.
tell em' it's rated "game" he soakes it up every where he go, an give you a problem for deniro, DAMN!Lets go
Commin through the door, hella fast, never slow, got the cash, and the peal to the floor.

Lets go

If you wanna ride, let me know. we can slide on the low. Whatcha standin there for?

Lets go

You can hate cause Im dippin witcha mate. Out the gate, lets roll, lets bounce, lets skate.
Lets go to the room, lets go to the lick. Lets go, Your boyfriend aint talking bout shit.giddy up down, gotta skip
town, girl Is you ready to roll?

Well shit, lets go. Hit that kc mo straight from the O'.

I got that dro, sip that purp. we call it Bow

I hit that burb, and get that urge to knock down all your doors.

Get in this car. Im a star, you aint noticed yet?

Look at these shoes, look at these jewels shinin on my neck.

I spit that venom, then I send em in to remove her denim,
And once I'm in em, then I bend em, and I cant rememb'em'.

I stay persistent and consistent when it comes to pimpin.
your hoe decisions ??form?? an sense it, wit no repentance

i go the distance when i hit it fuck like i'm demented

positions switchin' positions shiftin' like i invented

the art of fuckin' suduction we goin tit for tat

and when she suckin i'm bustin i'm tryin to hit here tat

she say her dude name, but realy he's too lame

fabby an tech n9ne you know that we are too strange[idk the rest of the verse]Lets go
Commin through the door, hella fast, never slow, got the cash, and the pedal to the floor.

Lets go

If you wanna ride, let me know. we can slide on the low. Whatcha standin there for?

Lets go

You can hate cause Im dippin witcha mate. Out the gate, lets roll, lets bounce, lets skate.
Lets go to the room, lets go to the max. Lets go, Your boyfriend aint talking bout shit.
