Sorry for Myself

Nikki Cleary

Hello
Hi
Hey I heard you weren't going out with us today
Nah I don't feel like itOh at least come to the mall
No
Tods gonna be there
I'm so glad it rained todayDidn't want to get up anyway
I'm gonna watch a donna flick
Eat choclate till I'm sick
Don't callDon't come over
Don't try and make me love[Chorus]
I'm feeling sorry for myself
Stay away
This is my day
I'm loving itOh
I don't want nobodys help
I know what I need
Don't feel sorry for meI'm feeling sorry for myself
I'm not gonna leave this room
I might just cry all afternoon
It's a lot of work to feel this badIt feels so good to feel thishome
Don't call don't come over don't try and make me love[Chorus]I don't want to talk about it
I want to be left alone
It's no big deal
Its how I feelI've said too much
And that's enough
I'm hanging up
Don't callDon't come over
Don't try to make me love[Chorus]I've said too much and that's enough
I'm hanging up
