

# Flashback

Calvin Harris

I'm coming 'round  
And now my vision is so clear  
If I could change my state of mind  
Then I would disappear  
The love I get from you  
Is something I can't change  
And I could let you slip away  
Without a second glance  
Why can't I realize  
I'm fighting for my life?  
Why can't I realize  
I'm fighting for my life?  
This is like a flashback  
This is like a dream  
This is like all the things you can fit  
Inside a memory  
This is like a flashback  
This is like a dream  
This is like all the things you can fit  
Inside a memory  
This is like a flashback, flashback  
This is like a flashback, flashback  
Why can't I realize  
I'm fighting for my life?  
Why can't I realize  
I'm fighting for my life?  
This is like a flashback  
This is like a dream  
This is like all the things you can fit  
Inside a memory  
This is like a flashback  
This is like a dream  
This is like all the things you can fit  
Inside a memory
