# It's Too Late

## Shannon and The Clams

Darlin' It's too late
For a phone call
I don't wanna wake you
I just let it ring twice
And its too late
For me to come over
I get in the car
But I never driveWith your new man
Hope he's nothing like me
Cast a wicked spell
And just come running to me
Darlin' It's too late
To make it right
I had my chance
But I didn't try
Darlin' It's too late
Im barely awake
I remember your body
And I start to die
With your new man
Hope he's nothing like me
Cast a wicked spell
And you'll come running to meDarlin' it's too late
Darlin' it's too late
It's too late
