Ruff Stuff

Randy

i ain't no goddamn loser
i ain't no goddamn fool
i ain't no pushover baby
i won't play it by the rules
if you want a friend kid
don't you look at me
i may have a childish charm
but i was born in 1973time may be eternal but my patience is not
gonna give it all that i got
for some it may be nothing but for me it's a lot
it's all that i got and all that i got isruff stuff
stuff that's ruffi ain't no goddamn loser
i ain't no son of a bitch
to find out what i got
honey just flip my switch
don't you get me angry
cause i'm like water on oil
if you think i'm crazy now
you should see me when i start to boiltime may be eternal but my patience is not
gonna give it all that i got
for some it may be nothing but for me it's a lot
it's all that i got and all that i got isruff stuff
stuff that's ruff
ruff stuff
stuff that's ruff
