

I'm Cryin'

Stevie Ray Vaughan

Well now sittin here so lonely, feelin oh so blue
My babys tryin to mistreat me and I dont know what to do
So Im cryin, why do I have to feel this way?
If I cant love my baby, I cant live another day Yeah, I've loved her for such a long time to end it all this way
Sittin here so lonely tears be fallin just like rain
So Im cryin, why do I have to feel this way?
If I cant love my baby I cant live another day Yeah, you know I love you baby, Ill do anything for you
But when we start to fightin, I just get these same old blues
So Im cryin, why do I have to feel this way?
If I cant love my baby, I cant live another day Yeah now when I first met you baby at a dance and we did fine
Now were together and its a total waste of time
So Im cryin, why do I have to feel this way?
If I cant love you baby, I cant live another day Well I guess its just my own fault the truth I cannot hide
But if I ever get you back dear, Ill stay right by your side
I wont be cryin, Ill stay happy that a way
Ill be lovin my little baby, every night and every day
