

# Taro (Live from the Africa Centre 14.04.12)

[alt-J](#)

Indochina, Capa jumps Jeep, two feet creep up the road  
To photo, to record meat lumps and war,  
They advance as does his chance - very yellow white flash.  
A violent wrench grips mass, rips light, tears limbs like rags,  
Burst so high finally Capa lands,  
Mine is a watery pit. Painless with immense distance  
From medic from colleague, friend, enemy, foe, him five yards from his leg,  
From you Taro. Do not spray into eyes - I have sprayed you into my eyes.  
3:10 pm, Capa pends death, quivers, last rattles, last chokes  
All colours and cares glaze to grey, shrivelled and stricken to dots,  
Left hand grasps what the body grasps not - le photographe est mort.  
3.1415, alive no longer my amour, faded for home May of '54  
Doors open like arms my love, Painless with a great closeness  
To Capa, to Capa Capa dark after nothing, re-united with his leg and with you, Taro.  
Do not spray into eyes - I have sprayed you into my eyes.  
Hey Taro!
