

Walk With Me

Randy Travis

Walk with me through darkness
Every day and every night
Walk me through the darkness
Walk me until I reach the light
We all stumble on life's journeys
We all need a helping hand from time to time we all wonder how we fit in your
planWalk me through the darkness
hold my hand when I am lost
Carry me when the road gets rough
pick me up each time I fallLet your prescence be her with me
every day and every nightwalk with me throught he darkness
walk with me until i reach trhe light
When I am in my darkest hour and feel like givin up
Take this weight from off my shoulder fill my heart with your loveWalk me through the darkness
Wlak with me till I reach the light
