Yes You Are

Parade

I used to be scared but I need to do this
When I was on the floor, you pulled me through it
No spark, no fight, crying at a mirror
I forgot who I was, you made it clearerI want everyone to know, oh oh oh
We're just about to blow, oh oh ohShout it out, shout it out, shout it out, yeah
Let's shout it out, shout it out, shout it outI wouldn't wanna be anywhere you're not
If I'm sinking, you're my rocket and you take me up
Yes you are, yes you are
Yes you are, yes you are
Let's go fast as we can like we'll never stop
You're the reason I fly, you're all that I'm not
Yes you are, yes you areI wanna spend forever in your arms
Being here with you, what more could I want?
You're my rock, you're my home, in outta space
I could be anywhere in the world, as long as you're the placeI want everyone to know, oh oh oh
We're just about to blow, oh oh ohShout it out, shout it out, shout it out, yeah
Let's shout it out, shout it out, shout it outI wouldn't wanna be anywhere you're not
If I'm sinking, you're my rocket and you take me up
Yes you are, yes you are
Yes you are, yes you are
Let's go fast as we can like we'll never stop
You're the reason I fly, you're all that I'm not
Yes you are, yes you areIf you crash, if you fall and sink
I will be there to hold you up again, fix it all
Don't close the door
I'll be what you need, what you needI wouldn't wanna be anywhere you're not
If I'm sinking, you're my rocket and you take me up
Yes you are, yes you are
Yes you are, yes you are
Let's go fast as we can like we'll never stop
You're the reason I fly, you're all that I'm not
Yes you are, yes you are
