Moondance

Bobby McFerrin

Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skiesAnd all the leaves on the trees are fallin'
To the sound of the breezes that blow
An' I'm trying to please to the callin'
Of your heart strings that play soft and lowAnd all the nights magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush
Can I just have one more moondance with you, my love?
Can I just make some more romance with you, my love?Well, I wanna make love to you tonight
I can't wait 'til the morning has come
And I know now the time is just right
And straight in to my arms you will runAnd when you come, my heart will be waiting
To make sure that you're never alone
There and then, all my dreams will come true, dear
There and then, I will make you my ownAnd every time I touch you, you just tremble inside
And I know how much you want me that you can't hide
Can I just have one more moondance with you, my love?
Can I just make some more romance with you, my love?Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skiesAnd all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart strings that play soft and lowAnd all the nights magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush
Can I just have one more moondance with you, my love?
Can I just make some more romance with you, my love?One more moon dance with you
In the moon light, on a magic night
All the moon light, on a magic night
Can I just have one more moondance with you, my love?
