

The Air That I Breathe

K.d. Lang

If I could make a wish
I think, I'd pass
Can't think of anything I need
No cigarettes, no sleep
No light, no sound
Nothing to eat, no books to read
Making love with you
Has left me peaceful, warm and tired
What else could I ask?
There's nothing to be desired
Peace came upon me
And it leaves me weak
So sleep, silent Angel
Go to sleep
Sometimes
All I need is the air that I breathe
And to love you
And I need is the air that I breathe
And to love you
All I need is the air that I breathe
Making love with you
Has left me peaceful, warm and tired
What more could I ask?
There's nothing to be desired
Sometimes
All I need is the air that I breathe
And to love you
And I need is the air that I breathe
And to love you
All I need is the air that I breathe
Peace came upon me
And it leaves me weak
So sleep, silent Angel
Go to sleep
Sleep, silent Angel
Go to sleep
