The Air That I Breathe

K.d. Lang

If I could make a wish I think, I'd pass Can't think of anything I need No cigarettes, no sleep No light, no sound Nothing to eat, no books to read Making love with you Has left me peaceful, warm and tired What else could I ask? There's nothing to be desired Peace came upon me And it leaves me weak So sleep, silent Angel Go to sleep Sometimes All I need is the air that I breathe And to love you And I need is the air that I breathe And to love you All I need is the air that I breathe Making love with you Has left me peaceful, warm and tired What more could I ask? There's nothing to be desired Sometimes All I need is the air that I breathe And to love you And I need is the air that I breathe And to love you All I need is the air that I breathe Peace came upon me And it leaves me weak So sleep, silent Angel Go to sleep Sleep, silent Angel Go to sleep
