

# Let Us Pray (Signs of Life Version)

[Steven Curtis Chapman](#)

Let Us Pray

1 Thess 5:17, Col 4:2, Eph 6:18, Heb 4:16, Rom 12:12 I hear you say your heart is aching

You've got trouble in the making

And you ask if I'll be praying for you please

And in keeping with convention

I'll say yes with good intentions

To pray later making mention of your needs

But since we have this moment here at heaven's door

We should start knocking now, what are we waiting for? Let us pray, let us pray, everywhere in every way

Every moment of the day, it is the right time

For the Father above, He is listening with love

And He wants to answer us, so let us pray So when we feel the Spirit moving

Prompting, prodding and behooving

There is no time to be losing, let us pray

Let the Father hear us saying

What we need to be conveying

Even while this song is playing, let us pray

And just because we say the word, "Amen"

It doesn't mean this conversation needs to end Let us pray, let us pray, everywhere in every way

Every moment of the day, it is the right time

Let us pray without end and when we finish start again

Like breathing out and breathing in, let us pray Let us approach the throne of grace with confidence

As our prayers draw us near

To the One who knows our needs

Before we even call His name Let us pray, let us pray, everywhere in every way

Every moment of the day, it is the right time

For the Father above, He is listening with love

And He wants to answer us, so let us pray Let us pray everywhere in every way

Every moment of the day, it is the right time

Let us pray without end and when we finish start again

Like breathing out and breathing in, let us pray
