

# Someone To Love

## Fountains of Wayne

Seth Shapiro got his law degree  
He moved to Brooklyn from Schenectady, '93  
Got some clients in the food industry  
He says its not the money, its the recipes  
He calls his mom, says hes doing fine  
Shes got somebody on the other line  
Puts Coldplay on, pours a glass of wine  
Curls up with a book about organized crime  
When its late and its hot  
(When its late and its hot)  
And a date with the Late Shows all that youve got  
Dont give out, dont give up  
(Dont give out, dont give up)  
One of these nights you might find someone to love  
Someone to love  
Someone to love  
Beth McKenzie got the job of her dreams  
Retouching photos for a magazine, aimed at teens  
Its Thursday night she should be out on the scene  
But shes sitting at home watching 'The King Of Queens'  
Theres something wrong that she cant describe  
She takes the contacts out of her eyes  
Sets the alarm for 6:45  
So she can get a little exercise  
When its late and its hot  
(When its late and its hot)  
And an hour in the shower is the best that you've got  
Dont give out, dont give up  
(Dont give out, dont give up)  
One of these nights you might find someone to love  
Someone to love  
Someone to love  
And youre not the only one whos lonely  
And youre not the only one whos lonely  
Seth Shapiro is trying in vain  
To hail a taxi in the morning in the pouring rain  
Beth McKenzie sees one just up ahead  
She cuts in front of him and leaves him for dead  
Someone to love  
Someone to love  
Someone to love
