

# Coming Home (Kataa X Mentol X Mr. Sax Remix)

Skylar Grey

I'm coming home  
I'm coming home  
Tell the world I'm coming home  
Let the rain wash away all the pain of yesterday  
I know my kingdom awaits and they've forgiven my mistakes  
I'm coming home, I'm coming home  
Tell the world that I'm coming I'm back where I belong,  
Yeah I never felt so strong  
(I'm back baby)  
I feel like there's nothing that I can't try  
And if you with me put your hands high  
(put your hands high) If you ever lost a light before,  
This ones for you  
And you, the dreams are for you I hear "The Tears of a Clown"  
I hate that song  
I always feel like they talking to me when it comes on  
Another day another Dawn  
Another Keisha, nice to meet ya, get the math I'm gone  
What am I 'posed to do when the club lights come on  
Its easy to be Puff, but its harder to be Sean  
What if the twins ask me why I ain't marry their mom (why, damn!)  
How do I respond?  
What if my son stares with a face like my own  
And says he wants to be like me when he's grown  
Shit! But I ain't finished growing  
Another night the inevitable prolongs  
Another day another dawn  
Just tell Keisha and Taneisha I'll be back in the morn'  
Another lie that I carry on  
I need to get back to the place I belong I'm coming home  
I'm coming home  
Tell the world that I'm coming home  
Let the rain wash away all the pain from yesterday  
I know my kingdom awaits and they've forgiven my mistakes  
I'm coming home, I'm coming home  
Tell the world that I'm coming, home "A House is Not A Home", I hate this song  
Is a house really a home when your loved ones are gone (no)  
And niggas got the nerve to blame you for it  
And you know you woulda took the bullet if you saw it

But you felt it and still feel it  
And money can't make up for it or conceal it  
But you deal with it and you keep ballin'  
Pour out some liquor, play ball and we keep ballin'  
Baby we've been living in sin 'cause we've been really in love  
But we've been living as friends  
So you've been a guest in your own home  
It's time to make your house your own  
Pick up your phone, come on I'm coming home  
I'm coming home  
Tell the world that I'm coming home  
Let the rain wash away all the pain from yesterday  
I know my kingdom awaits and they've forgiven my mistakes  
I'm coming home, I'm coming home  
Tell the world that I'm coming, home "Ain't No Stopping Us Now", I love that song  
Whenever it comes on it makes me feel strong  
I thought I told y'all that we won't stop  
'Til we back cruising through Harlem, these old blocks  
Is what made me, saved me, drove me crazy  
Drove me away then embraced me  
Forgave me for all of my shortcomings  
Welcome to my homecoming  
Yeah it's been a long time coming  
Lot of fights, lot of scars, lot of bottles  
Lot of cars, lot of ups, lot of downs  
Made it back, lost my dog (I miss you big)  
And here I stand, a better man! (a better man)  
Thank you Lord (Thank you Lord)  
Thank you all! I'm coming home  
I'm coming home  
Tell the world that I'm coming home  
Let the rain wash away all the pain from yesterday  
I know my kingdom awaits and they've forgiven my mistakes  
I'm coming home, I'm coming home  
Tell the world that I'm coming, home
