Touch in the Night (Radio Version)

Silent Circle

I remember all the criesIt's a secret dream
I'm lost in your love.
You
your lonesome eyes are all I wanna knowHelpless tears can never stop the rain.
Only you can turn my life
can turn it just this way.A touch in the night - it feels like heavenTouched in the night - so lucky in love.
Lost in your light - another secretTouched in the night - whatever I do.You
my angel in disguiseDeep inside my heart
like the inner light.
I believe in all your promise and your liesBut I feel in the end I'll lose.Only you can turn my life
can turn it just this way.
A touch in the night - it feels like heavenTouched in the night - so lucky in love.
Tomght I feel
I feel for youTonight I call
I'm calling your nameTonight I feel
I feel for you - tonight.Only you can turn my life
can turn it just this way. . . .
