

# Nova Era

## Angra

Somehow I know  
That things are gonna change  
New boundaries on the way  
Like never before  
Find a meaning to your life  
Hear the whispers of the angels  
Bring the sunrise again[Chorus]  
New day shines, fallen angels will arise  
Nova Era brings the ashes back to life  
All over now, all the pain and awful lies  
Angels will arise  
Back to life! Fresh winds of hope  
Has taken us ahead  
Forever is a place  
You have to keep in mind  
No way to limit our goals  
We'll find a reason to believe  
Facing Nova Era[Chorus] Oh! Come on! Arise! Find a meaning to your life  
No way to limit our goals  
Hear the whispers of the angels  
Bring the sunrise again! New day shines, fallen angels will arise  
Nova Era brings the ashes back to life  
All over now, sores in pain and awful lies  
Angels lead you through paradise Nova Era is a passage to your mind  
And forever you may find a better time  
Nova Era bring the angels back to life... Life
