Satisfy Me

Hollywood Squadda

You always know just what to do
You satisfy me
You always know just what to say
You satisfy me
Before you I was blind
You opened up my mindWhen I'm with you it feels so right
You satisfy me
When I'm with you I feel so save
You satisfy me
From now on you'll be mine
Untill the end of time[Chorus:]
Don't need no words
To know that you're mine
I see your face...you make me smile
When I'm with you I feel so highDon't need no words
To know that you're mine
I see your face...you make me smile
When I'm with you I feel so highYou'll always be the only one
You satisfy me
You'll always be the one I love
You satisfy me
Before you I was blind
You opened up my mindAnd every day I want you more
You satisfy me
And every night I need your touch
You satisfy me
From now on you'll be mine
Untill the end of time[Chorus (2x)]
