Dollars and girls

Ooh it's about to get drastic  
Asses like the number one draft pick  
I does this shit historically  
No wonder why they recorded me  
I'm important as these important drinks that they po- pour for me  
Your wifey is a whore to me  
I break her break her off  
Then send her back like she got a warranty  
Bust it open gurl let me see some  
Her and her friiend asked what time it is three sum duhh  
It's just me and C Breezy  
Life's a bitch cos a hoe is too easy  
I blow a oh oh oh oh oh smokin' loudly boy  
Just blew 4 O's I'm outty boy  
I got this shit so cloudy boy  
All these hoes up in my trunk  
That shit looked like a lobby boy  
But you know you know you know you dont know nun bout that boy
