

Lorelei (Remix)

Tom Tom Club

Lorelei

Maybe you like a little melody
It's not the words that move me

Lorelei Lorelei Lorelei

Maybe you like a lullaby
Now I can't remember why

Lorelei Lorelei Lorelei

Intuition's leading us where

I don't know yet

Lorelei Lorelei

Something's happening
Hard to place it, hard to hide it

Lorelei Lorelei

What is happening

I'm not sure, I guess you know it

Lorelei Lorelei

Deep in the jungle of thought

There comes a clearing

And in the clearing

There is a pool

The pool is deep

The water cool

This is the thought

The thought is you

Lorelei Lorelei Lorelei Lorelei

Lorelei Lorelei Lorelei Lorelei

Lorelei Lorelei Lorelei Lorelei

Lorelei Lorelei Lorelei Lorelei

Intuition's leading us where

I don't know yet

Lorelei Lorelei

Something's happening

Hard to place it, hard to hide it

Lorelei Lorelei
What is happening
I'm not sure, I guess you know it
Lorelei Lorelei

Lorelei
Lorelei
Lorelei
Lorelei

Across the wasted plain
Across the twisted dunes
Beyond the colored lights
The mountain looms

The air is thin
The door within
The sea of light
The light is you

Lorelei Lorelei Lorelei Lorelei
