

When a Momma's Boy Meets a Daddy's Girl

Aaron Pritchett

It's a single red rose on the bench of a truck,
Her hand pullin' back the curtain as it pulls up,
It's a curfew careful get back midnight,
It's a door held open as she climbs inside.

It's a first kiss tellin' all you need to know,
A can I have this dance in the headlight glow,
A true love story livin' here on earth,
When a Momma's boy meets a Daddy's girl.

It's a hey, whatcha doing, for the rest of your life?
It's a promise of forever, so I can kiss you all the time,
It's a no way out and you're never gonna want one,
Take it to the grave cause' you're never gonna find no one else,
It's a little bit of God smiling down on this world,
When a Momma's boy meets a Daddy's girl.
When a Momma's boy meets a Daddy's girl.

It's a paycheck spent on a diamond band,
It's a knee in the dirt and a tear and a yes,
Full smiles around their gonna pack that church,
When a Momma's boy meets a Daddy's girl.

It's a hey, whatcha doing, for the rest of your life?
It's a promise of forever, so I can kiss you all the time,
It's a no way out and you're never gonna want one,
Take it to the grave cause' you're never gonna find no one else,
It's a little bit of God smiling down on this world,
When a Momma's boy meets a Daddy's girl.

It's a I can't wait she's gonna be here soon,
I find a fast lane to that hospital room,
You get the bluest eyes and the blondest curls,
When a Momma's boy meets a Daddy's girl.

When a Momma's boy meets a Daddy's girl,
When a Momma's boy meets a Daddy's girl,
When a Momma's boy meets a Daddy's girl.
