Getting Stronger

Imagination Movers

You try to lift the weights, but you say , "oh, oh, oh"
Once you could do it, but now its all, :no, no, no"
Where is your act man, can't get it off the floor
No need to worry then, no need to feel so lowOh, oh, oh, oh, oh
You're getting stronger
Oh, oh, oh, oh, oh
Just a little longer
Oh, oh, oh, oh, oh
You're getting stronger
Oy, oy, oy, oy, oy, oy, oy, oy,You know you look strong, there's no doubt
You're like a statue, you're muscle bound
The Movers work so hard
We're gonna help you out
One things you'll never hear us say is , "no"ChorusA problem, yeah you got 'em,
for the super strong man
Alrighty Mister Mighty now we're gonna
make a plan
No doubt we're gonna work it out,
you need to understand
Just pick it up and lift it up and do it like you canChorus
