

# Knock Knock

## Monica

It's funny how the tables turn turn turn

So upset

This that hot new

Yeah, new Monica

It's funny how the tables turn, now it's you running after me

Didn't wanna spent quality time, didn't think I would ever leave

You got way too comfortable, now you say you want me in your life

'Coz I picked up all my shit and I'm moving in my new place tonight

So don't you come knock knock knock, stop knocking

Don't come knocking at my door

Ring ring ring, let the phone stop

I don't want you calling me no more

Boy it's a dangerous game to try and play a chick like me

Wanna go out and do your thang I will be out for ya count to three

So do just what you want, anytime that you really like

I put a payment on my place, you be sleeping alone tonight

So don't you come knock knock knock, stop knocking

Don't come knocking at my door

Ring ring ring, let the phone stop

I don't want you calling me no more

I used to be so gone, you were some one I could lean on

My life support system

And I thought I couldn't breathe ah ah

When you used to leave yep yep

I see you put yo clean on big chains gold teeth and yo gleam on

All night wanna be gone wanna tell me stay home like I got a ah ring on

Now you say I'm not your wife, right right?

So why should I be chillin'? Goodnight, goodnight

Now pack up my things for a flight

I got a place and fixed up nice

So don't come knocking at my door

I got company comin' around four, so whoa

I don't want you calling me no more

knock knock knock, stop knocking

Don't come knocking at my door

Ring ring ring, let the phone stop

I don't want you calling me no more

Don't come knocking at my door

Don't come knocking at my door

Don't come knocking at my door  
Don't come knocking at my door  
Changed my locks, took my things  
Can't come in  
Changed my locks, took my things  
Can't come in  
I don't want you calling me no more
