

Friend

Kaitlyn

i like to be around you
when your not tryin to be somebody
and i like to hang with you
talk about whatever we talk abouti dont care where we go
what we do
who you kno
what you wear
or if your hair is blue or purple or pinkyou dont have to be cool
dont have to be smart
dont need to know anything all the time
its alright if your a little bit out of it
i dont care i just wanna be your friendi like to go to the mall
and walk around with you laughin out loud
and you like to go up to people
and tell them your cousin is somebody famousdont care who we see
what they say
you and me we'll be ok
if we dont get caught by securityyou dont have to be cool
dont have to be smart
dont need to know every thing all the time
its alright if your a little bit out of it
i dont care i just wanna be your friendi tell you what i dont tell any one else
just having you here you no where
helps meyou dont have to be cool
dont have to be smart
dont have to kno anything all the time
dont have to be tough
dont have to be cute
dont need to know anything any time
its alright if your a little bit out of it
i just wanna be i just wanna be your frienddont have to be cool
dont have to be smart
dont have to be tough
dont have to be cute
dont need to know every thing all the time
anything any time
i just wanna be your frined
i just wanna be your friendi like to be around you when your not tryin to be somebody
