

# My Love Is Waiting

Marvin Gaye

I'm coming straight for your love baby  
Like a rocket girl Been so long, I'm making plans to get back to you  
Still I'm wondering what to do  
Seems so long yeah, I'll make it up to you  
Like a rocket girl I miss you baby  
And I miss your mind  
We had so much love  
I need to love your body Here we are in and out of love  
I hope we're learning to fall in love anew  
Girl I know, yeah, I know your tender lovin'  
That's why I want you I need you lovin', yeah, need your love  
And I miss your mind and your body  
We had so much love, love to give  
I need to love your body, love your body Seems so long since you were in my arms  
I need to rock you and hold you all night long  
I'm so happy to spend this time with you  
So very happy that we might start anew I miss you baby, miss your love  
And I miss your mind, miss your body  
We had so much love, love to give  
I need to love your body, love your body Love your soul baby  
Love your soul baby My love is waiting for you  
I want to love you again  
I need you again  
My love is waiting for you  
I want to love you again  
I need you again Been so long making all my plans to get back to you  
What I'm gonna do?  
It seems so long, but I'll make it up to you baby  
Like an IBM and a rocket girl Straight for your love baby, need your love  
'Coz I miss your mind and your body  
We had so much love, love to give  
I need to love your body, love your body When I make you mine, I'll be fine  
Baby, baby  
When I make you mine, I'll be fine  
'Coz I miss your body  
When I make you mine, I'll be fine  
Baby, baby  
When I make you mine, I'll be fine  
'Coz I miss your body When I make you mine, I'll be fine

Baby, baby  
When I make you mine, I'll be fine  
Oh baby  
When I make you mine, I'll be fine  
Baby, baby  
When I make you mine, I'll be fine  
Darling When I make you mine, I'll be fine  
'Coz I miss your body  
When I make you mine, I'll be fine  
Baby, baby, baby, baby, baby baby  
When I make you mine, I'll be fine
