Leave Me Alone!

Ian Axel

Itâ€™s not easy
When you say that youâ€™re sorry
Itâ€™s not easy
When you say you donâ€™t love me at all

Letâ€™s be honest
You donâ€™t care that you hurt me
Letâ€™s be honest
I donâ€™t care that youâ€™re lonely

You donâ€™t love me anymore
You keep coming back for more
If you donâ€™t love me anymore
Leave me alone!

Weâ€™re not dating
Who cares what your mom says
Weâ€™re not dating
You can sleep in your own bed

You donâ€™t love me anymore
You keep coming back for more
If you donâ€™t love me anymore
Leave me alone!

Whatever I do
Whatever I say
It doesnâ€™t matter anyway
You want me to move
You want me to stay
You wonâ€™t be happy either way
Take all your shit...
Iâ€™m over it!

Itâ€™s not easy

You donâ€™t love me anymore
You keep coming back for more
If you donâ€™t love me anymore
Leave me alone!!!
