

# Jigsaw (1998 Remastered Version)

## Marillion

We are jigsaw pieces aligned on the perimeter edge  
Interlocked through a missing piece  
We are renaissance children  
Becalmed beneath the Bridge of Sighs Forever throwing firebrands  
At the stonework  
We are Siamese children  
Related by the heart Bleeding from the surgery  
Of initial confrontation  
Holding the word scalpels  
On trembling lips Stand straight, look me in the eye  
And say goodbye  
Stand straight, we've drifted  
Past the point of reasons why Yesterday starts tomorrow  
Tomorrow starts today  
And the problem always seems to be  
We're picking up the pieces on the ricochet Drowning tequila sunsets  
Stowaways on midnight ships  
Refugees of romance  
Plead asylum from the real Scrambling distress signals  
On random frequencies  
Forever repatriated  
On guilt laden morning planes We are pilots of passion  
Sweating the flight on course  
To another summit conference Another breakfast time divorce  
Screaming out a cease fire  
Snow blind in an avalanche zone Stand straight, look me in the eye  
And say goodbye  
Stand straight, we've drifted  
Past the point of reasons why Yesterday starts tomorrow  
Tomorrow starts today  
And the problem always seems to be  
We're picking up the pieces on the ricochet Are we trigger happy?  
Russian roulette in the waiting room  
Empty chambers embracing the end  
Puzzled visions haunt the ripples of a trevi moon Dream coins for the fountain  
Or to cover your eyes  
We reached ignition point  
From the sparks of pleasantries We sensed the smoke  
Advancing from horizons

You must have known  
That I was considering an escape  
Stand straight, look me in the eye  
And say goodbye, say goodbye  
Stand straight, we've drifted  
Past the point of reasons why  
Yesterday starts tomorrow  
Tomorrow starts today, starts today  
And the problem always seems to be  
We're picking up the pieces on the ricochet  
This is the ricochet
