

# Longing

## Cecilio & Kapono

I was down in Atlanta, Georgia,  
So far away from home,  
I woke up missin' my baby  
And feelin' so alone.  
And only time can change my mind  
From feelin' sad and blue  
Longing, longing for you. Got to find myself a song to sing,  
Waiting for the days to bring me  
Closer to my home sweet home,  
Closer to the love I know.  
I feel the sunshine on my face,  
The smile I love, the warm embrace,  
Longing, longing for you.  
I've got a girl, she's so fine,  
She's in Georgia on my mind.  
I'm thinkin' 'bout her all the time  
And feelin' so alone.  
I'm thinkin' 'bout when I come home to her,  
And to know I won't be  
Longing, longing anymore. No I won't be  
Longing, longing anymore. No I won't be  
Longing, longing anymore.
