

# Higher love (Nice Nikaia)

## Depeche Mode

I can taste more than feel  
This burning inside is so real  
I can almost lay my hands upon  
The warm glow that lingers on  
    Moved, lifted higher  
    Moved, my soul's on fire  
    Moved, by a higher love  
    I surrender all control  
To the desire that consumes me whole  
    Leads me by the hand to infinity  
    Lies in wait at the heart of me  
    Moved, lifted higher  
    Moved, my soul's on fire  
    Moved, by a higher love  
Heaven bound on the wings of love  
There's so much that you can rise above  
    Moved, lifted higher  
Moved, moved, by a higher love  
    By a higher love  
    I surrender heart and soul  
    Sacrificed to a higher goal  
Moved, moved by a higher love  
    By a higher love
