

Secretly (Live and Acoustic)

Skunk Anansie

I've been biding my time
Been so subtly kind
I've got to think so selfishly
'Cos you're the face inside of me I've been biding my days
You see evidently it pays
I've been a friend with unbiased views
Then secretly lust after you So now, you feel rusty
You're bored and bemused You wanna do someone else
So you should be by yourself
Instead of here with me secretly Trying hard to think pure
Bloody hard when I'm raw
You're talking out so sexually
'Bout boys and girls and your friggin' dreams So now, you feel lusty
You're hot and confused You wanna do someone else
So you should be by yourself
Instead of here with me secretly So now, you've been busted
You're caught feeling used You had to do someone else
You should've been by yourself
You had to do someone else
You should've been by yourself
Instead of here with me secretly Secretly, secretly
