

Keep All The Fires Burning Bright (Club Mix)

Jennifer Rush

You're sayin' I am your hunter
I know I'd better beware
Got me searching for shelter
But I can hear you moving up on me.
But you've become my mirror knowing you're half-way here
Just a single step nearer reminds me why I do not dare.
There was calling in the dark of the night
Though I thought it would leave me alone.
Even stronger by the light of day
And I knew that it wouldn't be long.
You keep all the fires burning bright
You never give up on a fight
I needed to spread my wings and fly
Fly on by
Baby.
Just that words don't come easy
You know it's not as it seems
But listen
Don't look twice
You'd heed the warning to stay clear.
There was calling in the dark of the night...
You keep all the fires burning bright
You never give up on a fight Maybe
Baby
Someday
Baby
I'll be back and stay !
You keep all the fires burning bright
You never give up on a
Fight
