

# I'll Be Alright (OST FIFA 13)

## Passion Pit

Can you remember ever having any thoughts  
'Cause when it's all said and done I always believe we were  
But I'm not so sure, oh oh oh oh oh oh  
I drink a chain and take a couple of my bills  
And my parade give you chills the one it don't give me up, oh oh oh oh  
I know it had enough You should go if you want to  
Yeah go if you want to  
I'll be alright, be alright  
Well I've made so many messes  
And this love as grow so restless  
You would like enough but just  
I won't let you go the mess  
I'll be alright  
I'll be alright I'm so sad lonely that is offer me to see  
Reality from what I dream and no one believes me  
No not a single thing  
My pain is wasting and I feel like I'll explode  
You're looking glammy and below this room wasn't made for you  
She's go for someone new You should go if you want to  
Yeah go if you want to  
I'll be alright, be alright  
Well I've made so many messes  
And this love as grow so restless  
You would like enough but just  
I won't let you go the mess  
I'll be alright  
I'll be alright What could I keep housing on the  
Heads go on now where's my thought to stumbling  
This party is over now it isn't happening  
The wind in the could tell on recovery You should go if you want to  
Yeah go if you want to  
I'll be alright, be alright  
Well I've made so many messes  
And this love as grow so restless  
You would like enough but just  
I won't let you go the mess  
I'll be alright  
I'll be alright
