

Downtown

Petula Clark

When you're alone and life is making you lonely
You can always go, downtown
When you've got worries all the noise and the hurry
Seems to help I know, downtown
Just listen to the music of the traffic in the city
Linger on the sidewalk, where the neon signs are pretty
How can you lose? The lights are much brighter there
You can forget all your troubles, forget all your cares
So go
Downtown, things will be great when you're
Downtown, no finer place for sure
Downtown, every thing's waiting for you
Don't hang around and let your problems surround you
There are movie shows, downtown
Maybe you know some little places to go
To where they never close, downtown
Just listen to the rhythm of a gentle bossa nova
You'll be dancing with 'em too before the night is over happy again

The lights are much brighter there
You can forget all your troubles, forget all your cares
So go
Downtown, where all the lights are bright
Downtown, waiting for you tonight
Downtown, you're gonna be alright now
Downtown
And you may find somebody kind to help and understand you
Someone who is just like you and needs a gentle hand
To guide them along so maybe I'll see you there
We can forget all our troubles, forget all our cares
So go
Downtown, things will be great when you're
Downtown, don't wait a minute more
Downtown, everything is waiting for you
Downtown, downtown, downtown, downtown
