

# Tell Me Something Good

Maceo Parker

You ain't got no kind of feeling inside  
I got something that'll sho nuff set yo' stuff on fire  
You refuse to put anything before your pride, baby  
What I got to give will knock your pride aside, get off

Tell me something good  
Tell me that you love me, yeah  
Tell me something good  
Tell me that you like it, yeah, you know what

Got no time is what you're known to say  
I'll make you wish there were 48 hours in each day  
Problem is you ain't been loved like you should  
What I got to give will sho nuff do you good, get off

Tell me something good  
Tell me that you love me, yeah  
Tell me something good  
Tell me that you like it, yeah

Tell me something good  
Tell me that you love me, yeah  
Tell me something good  
Tell me that you like it, yeah

Tell me something good  
Tell me that you love me, yeah  
Tell me something good  
Tell me that you like it, yeah
