

# One Shot (feat. Juicy J)

## Robin Thicke

[Intro: Robin Thicke]

1, 2, 3, 4[Chorus: Robin Thicke]

It took five shots, and we were getting it on

And then four shots, we had nothing on

Three shots, we were out of there

Two shots, whispering in your ear

I got one shot, one shot to love you all night long[Pre-Verse: Juicy J]

Yessir

Juicy J[Verse 1: Juicy J]

Bartender 'nother round on me

Two or three shots you goin' down on me

I'm a king, go ahead, put a crown on me

I'm an OG, only pouring Crown in my drink

Apple martini, now she in my Lamborghini

Coming out of her bikini, 'bout to rub me like a genie

Get her all alone, knock her off, then I dip

If she work it good enough, she might leave with a tip[Pre-Chorus 1: Robin Thicke]

Two tequilas, shoot 'em down

One tequila, third round

Come with me, let me buy you a drink

I'mma tell you how the story goes[Chorus: Robin Thicke]

It took five shots, and we were getting it on

And then four shots, we had nothing on

Three shots, we were out of there

Two shots, whispering in your ear

I got one shot, one shot to love you all night long[Pre-Verse: Juicy J]

Yessir

Robin Thicke[Verse 2: Robin Thicke]

So you sayin' you ain't from 'round here

I can tell by your accent dear

You got an "ain't been hurt yet" smile

And an "I don't give a fuck what you think" style[Pre-Chorus 2: Robin Thicke]

Two tequilas, shoot 'em down

One tequila, third round

Now you're giving me eyes

Like you just had Henny for the first time[Interlude: Robin Thicke]

Hey there baby

I'd be patient

But you leave town tomorrow

Oh no, let me tell you how the story goes[Chorus: Robin Thicke]  
It took five shots, and we were getting it on  
And then four shots, we had nothing on  
Three shots, we were out of there  
Two shots, whispering in your ear  
I got one shot, one shot to love you all night long[Bridge: Robin Thicke & Juicy J]  
Two tequilas, shoot 'em down (hey)  
Two tequilas, shoot 'em down (hey)  
Two tequilas, shoot 'em down (hey, hey)  
Two tequilas, come on  
I got one shot, one shot to love you all night long, oh[Verse 3: Juicy J]  
All it took was two shots of tequila  
Unless you wanna get it in in a two-seater  
She just wanna be single for a night  
So I told the bartender, "give her anything she like"  
Good girl, work it out  
You can touch it from the south  
Takin' shots, no rocks, so you know what she about  
Rounds goin' down, so we order up some more  
And the club 'bout to close, so she puttin' on a show  
We're all stumblin' out the parking lot  
Still goin' up at the afterspot  
It's your boy, Juicy J  
I'm that [?] lover  
Got Molly and Becky lickin' shots off each other[Pre-Chorus 3: Robin Thicke]  
Two tequilas, shoot 'em down  
One tequila, third round  
But you leave town tomorrow  
Oh no, let me tell you how the story goes[Chorus: Robin Thicke]  
It took five shots, and we were getting it on  
And then four shots, we had nothing on  
Three shots, we were out of there  
Two shots, whispering in your ear  
I got one shot, one shot to love you all night long[Outro: Robin Thicke & Juicy J]  
Two tequilas, shoot 'em down (hey)  
Two tequilas, shoot 'em down (hey)  
Two tequilas, shoot 'em down (hey, hey)  
Two tequilas, come on  
I got one shot, one shot to love you all night long, oh
