Donnie

Ace Of Base

Donnie
Donnie
Donnie's got a secret and you know it
He was your's in the summertime yeah
About ten years ago
He promised you to stay forever
Live with you
It's so bittersweet now
When you know what you lost
Donnie was the boy you always wanted
By your side
Donnie was the boy your girlfriends fell for one by one
Donnie was the boy you always wanted
Day and night
But Donnie had a girlfriend tender, sexy, sweet and blonde
In the summer time, yeah
In the summer time, life was easy
On the beach you had him long ago, oh
He's always on your mind
The season changes
Years went by
But that chapter of love
Stays unfinished for you

Keep on dancing through your new life
Maybe, make a move
Make him see you again
As the flower you are
Donnie was the boy you always wanted
By your side
Donnie was the boy your girlfriends fell for one by one
Donnie was the boy you always wanted
Day and night
But Donnie had a girlfriend tender, sexy, sweet and blonde
In the summer time, yeah
In the summer time, life was easy
On the beach you had him long ago
Donnie was the boy you always wanted
By your side

Donnie was the boy your girlfriends fell for one by one
Donnie was the boy you always wanted
Day and night
But Donnie had a girlfriend tender, sexy, sweet and blonde
Donnie was the boy you always wanted
By your side
Donnie was the boy your girlfriends fell for one by one
Donnie was the boy you always wanted
