

# C-lebrity

## Queen

Aint got no hope  
Got no idea  
What to do  
Or why Im here  
Wanna get my face  
On your TV  
I wanna be heard  
I want to be seenAint got nothin  
No  
Nothing  
Nothin to show  
Make me a c-lebrityI want to be  
A face on TV  
(I wanna be on your screen)  
Then you can see  
Im a c-lebrityI wanna get my features  
In magazines  
See this creature on every street  
On every screen  
Write my life story  
Before Im twenty one  
I got to tell the world  
They may say Im dumb but erAint got nothin  
No  
Nothing  
Nothing to show  
Make me a c-lebrityI want to be  
A face on TV  
(I wanna be on your screen)  
Then you can see  
Im a c-lebrityI wanna be a star  
In a Broadway musical  
Theyre gonna love me  
I cant sing or dance at all  
Some may say Im lackadaisical  
And if I was real good  
Id stand no chance at allI want to be  
A face on TV  
(Yeah I wanna be on your screen)

Then you can see  
Im a c-lebrity  
Then you can say  
You knew me one day  
Then you will see  
Im a c-lebrityC c-lebrity  
Wanna be a c c c-lebrity  
Make my dream come true  
C c-lebrity  
Wanna be a c c c c-lebrity  
I wanna be heard  
I want to be seen  
On every TV screen
