

Distance (Intro)

Jeremy Passion

Why is she so far away?
That was a question that I asked God every night.
Some would say distance makes the heart grow fonder.
But I knew it wasn't always the case.
And there were nights where I wondered...
Why you?
There's over six billion people in the world
And love chose us.
This album is dedicated to the woman that waits faithfully
For the man she loves.
It's dedicated to the man who holds his woman in his heart
until he can hold her in his arms.
It's dedicated to the people who know a good thing when they see it.
This is a tribute to the patient.
This is... the Pixelated EP.
