

God Don't Make Mistakes

Jamie O'Neal

It was one of those days when she couldnt find a single ray of sunshine
There wasnt even a cloud up in the sky
After thirteen years at the factory they sorry mam but were downsizin
Thats the way life is, good luck with the rest of it
She looked me in the eye and said this aint the first time Ive taken the fall,
but let me tell you girl whats gotten me through is keepin faith through it allCause therell be
Dead ends and road blocks, Tough times and hard knocks
Seems like youre always wonderin why youre at the right place at the wrong time
Wheels movin but you feel stuck, like your lifes spinnin in a big mud
When youre out there runnin around on a wild goose chase,
Theres a reason to keep believin,
God dont make mistakesEverybody said you gotta give it up
You cant keep that child, Its just too tough at seventeen, Youre just a baby
Well she cried and she prayed, made up her mind
Said this beautiful life thats growin inside needs a chance to have a hand in Gods plan
Everyone told her theyd never by, well he just turned sixteen
Made it straight to the top of his class, the captain of the football teamYeah, therell be
Dead ends and road blocks, Tough times and hard knocks
Seems like youre always wonderin why youre at the right place at the wrong time
Wheels movin but you feel stuck, like your lifes spinnin in a big mud
When youre out there runnin around on a wild goose chase,
Theres a reason to keep believin,
God dont make mistakesOh, therell be
Dead ends and road blocks, Tough times and hard knocks
Seems like youre always wonderin why youre at the right place at the wrong time
Wheels movin but you feel stuck, like your lifes spinnin in a big mud
When youre out there runnin around on a wild goose chase,
Theres a reason to keep believin,
Keep believin!
God dont make mistakes!Yeah, yeah
Oh, God dont make mistakes!
