

Take Me There

Pocket Full Of Rocks

There's a place in your heart, nobody's been

Take me there

Things nobody knows, not even your friends

Take me there

Tell me 'bout your momma

Your daddy, your hometown, show me around

I wanna see it all, don't leave anything out

I wanna know everything about you then

And I wanna go down every road you've been

Where your hopes and dreams and wishes live

Where you keep the rest of your life hid

I wanna know the girl behind that pretty stare

Take me there

Your first real kiss, your first true love

You were scared, show me where you learned about life

Spent your summer nights without a care

Take me there

I wanna roll down Main Street, the back roads

Like you did when you were a kid

What made you who you are?

Tell me what your story is

I wanna know everything about you then

And I wanna go down every road you've been

Where your hopes and dreams and wishes live

Where you keep the rest of your life hid

I wanna know the girl behind that pretty stare

Take me there, yeah

I wanna know everything about you

Yeah, everything about you, baby

I wanna go down every road you've been

Where your hopes and dreams and wishes live

Where you keep the rest of your life hid

I wanna know the girl behind that pretty stare

Take me, take me, take me there, oh

(Take me, baby, take me)

I wanna roll down Main Street

I wanna know your hopes and your dreams

(Take me there)

Take me, take me there, yeah
(Take me, baby, take me)
(Take me there)
(Take me, baby, take me)
(Take me there)
