Life Is a Beautiful Thing

Amanda Wilkinson

Shake off the sleep, grab my favorite cup
I'm wide awake when the sun comes up
The mornin' light shares a secret with me
And it's one that's just too good to keepPick up your worries, take 'em out with the trash
Make a friend, share a few laughs
Roll as easy as a rockin' chair
Tell your baby just how much you careOh yeah, no static at all
Let's dance, I'm havin' a ball
It's so clear, I hear the whole world sing
Life is a beautiful thingI feel better than a new hairdo
Gettin' a raise, buyin' a new pair of shoes
Nothin' heavy I go with the breeze
It's all good wherever it leadsGettin' whistles, turnin' heads
Smilin' back, turnin' red
Every day's like a day at the beach
And every night I feel the sweetest dreamsOh yeah, no static at all
Let's dance, oh, I'm havin' a ball
So clear, I hear the whole world sing
Life is a beautiful thingOh yeah, no static at all
Let's dance, oh, I'm havin' a ball
So clear, I hear the whole world sing
Life is a beautiful, fun and irresistible
Magical, beautiful thing
