

# Outta My Mind

## Anthem Lights

Feelin' like I got a front row seat to watch everybody be happy  
Can't even paint a smile on my face, it's so hard to not complain

Gotta try not to say  
O God, what about me  
'Cause I know that's not the way that I'm supposed to be

Get me outta my mind and into Your heart  
It's not about me, it's not about me  
So I'm gonna start playin' my part in Your design  
Now is the time  
Get me outta my mind  
Outta my mind

There's a bigger picture on display and it's starting to come in focus  
Causing me to see to see the ones in need outside my little world

Gotta try, just to say  
O God, what can I do  
Doesn't matter what it takes, I wanna lead them all to You

Get me outta my mind and into Your heart  
It's not about me, it's not about me  
So I'm gonna start playin' my part in Your design  
Now is the time  
Get me outta my mind  
Outta my mind

If anybody asks me what have I been up to  
This is what I'm gonna say  
I've been spending my time, outta my mind  
And I'm really lovin' livin' this way  
[x2]

Get me outta my mind and into Your heart  
It's not about me, it's not about me  
So I'm gonna start playin' my part in Your design  
Now is the time  
Get me outta my mind  
Get me outta my mind  
So I'm gonna start playin' my part in Your design  
Now is the time

Get me outta my mind

Outta my mind
