

Day Tripper

Jimi Hendrix

I got a good reason
For takin' the easy way out
I got a good reason
For takin' the easy way out, now She was a day tripper
(She was a day tripper, yeah)
One way ticket yeah
(One way ticket, yeah)
It took so long to find out, I found out She's a big teaser
She let me half the way down
She's a big teaser
She let me half the way down She was a day tripper
Trippin' bright and gay
It took so long to find out, I found out
Oh, can you hear me now I try to please her
She only played one night stands
I try to please her
She only played one night stands She was a day tripper
(The day tripper, yeah)
Was a one way ticket
(One way ticket, yeah)
It took so long to find out, I found out Oh, I found out
You're out of your mind Day tripper, day tripper
Day tripper, day tripper
Day tripper, day tripper I got a good reason
Day tripper
I got a good reason
Day tripper
