Day Tripper

Jimi Hendrix

I got a good reason
For takin' the easy way out
I got a good reason

For takin' the easy way out, nowShe was a day tripper (She was a day tripper, yeah)

One way ticket yeah

(One way ticket, yeah)

It took so long to find out, I found outShe's a big teaser She let me half the way down

She's a big teaser

She let me half the way downShe was a day tripper Trippin' bright and gay

It took so long to find out, I found out
Oh, can you hear me nowI try to please her
She only played one night stands

I try to please her

She only played one night standsShe was a day tripper

(The day tripper, yeah)

Was a one way ticket

(One way ticket, yeah)

It took so long to find out, I found outOh, I found out
You're out of your mindDay tripper, day tripper
Day tripper, day tripper

Day tripper, day tripper got a good reason

Day tripper

I got a good reason

Day tripper
