

I'm a Weirdo

The Lonely Island

I'm a weirdo, yeah I'm a weirdo
People looking at me crazy, I don't care though
I'm a weirdo, w-w-weirdo
Ask me if I give a fuck, I say fuck no
I say fuck no, I say fuck no
Ask me if I give a fuck, I say fuck no I'm a weirdo not a hero
Had a psych eval didn't clear, though
Ergo I say ear-go
Cut my ear off, now I can't hear stereo
If that makes me weird, I'm weird
I use a Mach-3 razor on my beard
I use a Mach-10 razor down down here
Seven more blades cause I like it sheer
Use a banana as a telephone
Use a banana as a telephone
Use a banana as a telephone
Spoon in my ear cause my brain's made of gelatone
Latin girls say "turn up the Reggaeton"
But it's me in a wig, mind is hella gone
"Ay papi, you crazy"
Yeah I'm crazy for driving Miss Daisy
Best picture, must be doing something right
Chicken bit off my dick at a cockfight
Sewed it back on sitting at a stoplight
Bit a cop, got a ticket for a cock bite
I'm demented and deranged, motherfucker
Choose the middle seat on a plane, motherfucker
Just wrong like a dog in Ray-Bans
Piss off the roof, you could call me Rain Man
Best picture, must be doing something right
Fuck, I'm repeating myself, man, I'm not right I'm a weirdo, yeah I'm a weirdo
People looking at me crazy, I don't care though
I'm a weirdo, w-w-weirdo
Ask me if I give a fuck, I say fuck no
I say fuck no, I say fuck no
Ask me if I give a fuck, I say fuck no
Ask me if I give a fuck, I say fuck no
