

You Got Lucky

The Gaslight Anthem

You better watch what you say
You better watch what you do to me
Don't get carried away
Girl if you can do better than me then go
Yeah go
But remember
Good love is hard to find
Good love is hard to find
You got lucky baby
You got lucky babe
When I found you
You put your hand on my cheek
And then you turned your eyes away
If I don't make you complete
If I don't take you all the way then go

Yeah go
But remember
Good love is hard to find
Good love is hard to find
You got lucky baby
You got lucky babe
When I found you
Oh, go
Yeah go
But remember
Good love is hard to find
Good love is hard to find
You got lucky baby
You got lucky babe
When I found you
