

Military Madness (2008 Stereo Mix)

Graham Nash

In an upstairs room in Blackpool
By the side of a northern sea
The army had my father
And my mother was having me
Military Madness was killing my country
Solitary Sadness comes over me
After the school was over and I moved
To the other side
I found a different country but I never
Lost my pride
Military Madness was killing the country
Solitary sadness creeps over me
And after the wars are over
And the body count is finally filed
I hope that The Man discovers
What's driving the people wild
