

# Last One for the Money

## Nora

Last chance kids, it's time to rock  
It's time to move, it's time to live  
Last chance kids, before we're old  
Before we're tired, before we give  
If this is the last time we play the last song  
Will you remember how you moved?  
I can dodge bullets and get up from any beating  
If this is the first time you heard a new song  
Will you feel it, feel the burn?  
I can be whatever I want when I grow up  
Will you remember what it was like?  
And how you felt and what it was like to matter?  
Will you remember how you danced  
Before we gave in?  
Before we got old, before we got tired  
It's time to move, it's time to live  
Last chance kids, it's time to rock  
Before we're old, before we're tired  
Last chance kids  
Before we give, last chance.
